

Agreement and the Merger and the other transactions contemplated hereby and (B) has received the opinion of its financial advisors, Goldman, Sachs & Co., in a customary form and to the effect that the Merger Consideration to be received by the holders of the Company Shares in the Merger is fair to such holders from a financial point of view.

(ii) SBC and Merger Sub each has all requisite corporate power and authority and each has taken all corporate action necessary in order to execute, deliver and perform its obligations under this Agreement and to consummate, subject only to the approval by the stockholders of SBC by a majority of votes cast on the proposal to issue the shares of SBC Common Stock required to be issued pursuant to Article IV; provided, that the total vote cast represents over 50% of all of the outstanding shares of SBC Common Stock (the "SBC Requisite Vote") and the SBC Required Consents (as defined in Section 5.1(d)), the Merger. This Agreement has been duly executed and delivered by SBC and Merger Sub and is a valid and binding agreement of SBC and Merger Sub, enforceable against each of SBC and Merger Sub in accordance with its terms, subject to the Bankruptcy and Equity Exception. SBC has received the opinion of its financial advisors, Salomon Brothers Inc and Smith Barney Inc., in a customary form and to the effect that the Exchange Ratio is fair to SBC from a financial point of view. The shares of SBC Common Stock, when issued pursuant to this Agreement, will be validly issued, fully paid and nonassessable, and no stockholder of SBC will have any preemptive right of subscription or purchase in respect thereof.

(d) Governmental Filings; No Violations. (i) Other than the necessary filings, notices and/or approvals (A) pursuant to Section 1.3, (B) under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the "HSR Act"), the Exchange Act and the Securities Act of 1933, as amended (the "Securities Act"), (C) to comply with state securities or "blue-sky" laws, (D) if any, of the Federal Communications Commission ("FCC") pursuant to the Communications Act of 1934, as amended, (E) if any, of the local, state and foreign public utility commissions or similar local, state or foreign regulatory bodies (each a "PUC") and the local, state and foreign Governmental Entities (as defined below) identified in its respective Disclosure Letter pursuant to applicable local, state or foreign laws regulating the telephone, mobile cellular, paging, cable television or other telecommunications business ("Utilities Laws") and (F) if any, of the foreign regulatory bodies identified in its Disclosure Letter pursuant to applicable foreign laws

regulating actions having the purpose or effect of monopolization or restraint of trade (such filings, notices and/or approvals of SBC being the "SBC Required Consents" and of the Company being the "Company Required Consents"), no filings, notices and/or reports are required to be made by it with, nor are any consents, registrations, approvals, permits or authorizations required to be obtained by it from, any governmental or regulatory authority, court, agency, commission, body or other governmental entity ("Governmental Entity"), in connection with the execution and delivery of this Agreement by it and the consummation by it of the Merger and the other transactions contemplated hereby, except those that the failure to make or obtain are not, individually or in the aggregate, reasonably likely to have a Material Adverse Effect on it or prevent, materially delay or materially impair its ability to consummate the transactions contemplated by this Agreement.

(ii) The execution, delivery and performance of this Agreement by it do not, and the consummation by it of the Merger and the other transactions contemplated hereby will not, constitute or result in (A) a breach or violation of, or a default under, its certificate of incorporation or by-laws or the comparable governing instruments of any of its Significant Subsidiaries, (B) a breach or violation of, or a default under, the acceleration of any obligations or the creation of a lien, pledge, security interest or other encumbrance on its assets or the assets of any of its Subsidiaries (with or without notice, lapse of time or both) pursuant to, any agreement, lease, contract, note, mortgage, indenture, arrangement or other obligation ("Contracts") binding upon it or any of its Subsidiaries or, assuming the filings, notices and/or approvals referred to in Section 5.1(d)(i) are made or obtained, any Law (as defined in Section 5.1(i)) or governmental or non-governmental permit or license to which it or any of its Subsidiaries is subject or (C) any change in the rights or obligations of any party under any of its Contracts, except, in the case of clause (B) or (C) above, for any breach, violation, default, acceleration, creation or change that, individually or in the aggregate, is not reasonably likely to have a Material Adverse Effect on it or prevent, materially delay or materially impair its ability to consummate the transactions contemplated by this Agreement. The Company Disclosure Letter, with respect to the Company, and the SBC Disclosure Letter, with respect to SBC, sets forth a correct and complete list of Contracts of it and its Subsidiaries pursuant to which consents or waivers are or may be required prior to consummation of the transactions contemplated by this Agreement other than those where the failure to obtain such consents or waivers is not,

individually or in the aggregate, reasonably likely to have a Material Adverse Effect on it or prevent or materially impair its ability to consummate the transactions contemplated by this Agreement.

(e) Reports; Financial Statements. It has made available to the other party, each registration statement, report, proxy statement or information statement prepared by it since December 31, 1997 (the "Audit Date"), including its Annual Report on Form 10-K for the year ended December 31, 1997 in the form (including exhibits, annexes and any amendments thereto) filed with the Securities and Exchange Commission (the "SEC") (collectively, including any such reports filed subsequent to the date hereof, its "Reports"). As of their respective dates, its Reports did not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements made therein, in light of the circumstances in which they were made, not misleading. Each of the consolidated balance sheets included in or incorporated by reference into its Reports (including the related notes and schedules) fairly presents the consolidated financial position of it and its Subsidiaries as of its date and each of the consolidated statements of income and of cash flows included in or incorporated by reference into its Reports (including any related notes and schedules) fairly presents the consolidated results of operations, retained earnings and cash flows, as the case may be, of it and its Subsidiaries for the periods set forth therein (subject, in the case of unaudited statements, to notes and normal year-end audit adjustments that will not be material in amount or effect), in each case in accordance with United States generally accepted accounting principles ("GAAP") consistently applied during the periods involved, except as may be noted therein. Since the Audit Date, it and each Subsidiary required to make filings under Utilities Laws has filed with the applicable PUCs or the FCC, as the case may be, all material forms, statements, reports and documents (including exhibits, annexes and any amendments thereto) required to be filed by them, and each such filing complied in all material respects with all applicable laws, rules and regulations, other than such failures to file and non-compliance that are, individually or in the aggregate, not reasonably likely to have a Material Adverse Effect on it or prevent or materially impair its ability to consummate the transactions contemplated by this Agreement. To its knowledge, as of the date hereof, no Person or "group" "beneficially owns" 5% or more of its outstanding voting securities, with the terms "beneficially owns" and "group" having the meanings ascribed to them under Rule 13d-3 and Rule 13d-5 under the Exchange Act.

(f) Absence of Certain Changes. Except as disclosed in its Reports filed prior to the date hereof or as expressly contemplated or permitted by this Agreement, since the Audit Date it and its Subsidiaries have conducted their respective businesses only in, and have not engaged in any material transaction other than according to, the ordinary and usual course of such businesses and there has not been (i) any change in the financial condition, properties, prospects, business or results of operations of it and its Subsidiaries, except those changes that are not, individually or in the aggregate, reasonably likely to have a Material Adverse Effect on it; (ii) any damage, destruction or other casualty loss with respect to any asset or property owned, leased or otherwise used by it or any of its Subsidiaries, whether or not covered by insurance, which damage, destruction or loss is reasonably likely, individually or in the aggregate, to have a Material Adverse Effect on it; (iii) any declaration, setting aside or payment of any dividend or other distribution in respect of its capital stock, except publicly announced regular quarterly cash dividends on its common stock and, in the case of SBC, any dividends in capital stock of SBC which are simultaneously taken into account in an adjustment to the Exchange Ratio pursuant to Section 4.4; or (iv) any change by it in accounting principles, practices or methods, except as required by GAAP. Since the Audit Date, except as provided for herein, in the Company Disclosure Letter, as disclosed in the Reports filed by the Company prior to the date hereof or permitted hereby, there has not been any increase in the salary, wage, bonus or other compensation payable or that could become payable by the Company or any of its Subsidiaries to directors, officers or key employees or any amendment of any of the Company Compensation and Benefit Plans (as defined in Section 5.1(h)(i)) other than increases or amendments in the ordinary course.

(g) Litigation and Liabilities. Except as disclosed in its Reports filed prior to the date hereof, there are no (i) civil, criminal or administrative actions, suits, claims, hearings, investigations or proceedings pending or, to the actual knowledge of its executive officers, threatened in writing against it or any of its Affiliates (as defined in Rule 12b-2 under the Exchange Act) or (ii) obligations or liabilities, whether or not accrued, contingent or otherwise and whether or not required to be disclosed, including those relating to matters involving any Environmental Law (as defined in Section 5.1(k)), or any other facts or circumstances, in either such case, of which its executive officers have actual knowledge that are reasonably likely to result in any claims against or obligations or liabilities of it or any of its Affiliates,

except for those that are not, individually or in the aggregate, reasonably likely to have a Material Adverse Effect on it or prevent, materially delay or materially impair its ability to consummate the transactions contemplated by this Agreement; provided, however, that for purposes of this subsection (g) no action, suit, claim, hearing, investigation or proceeding arising after the date hereof shall be deemed to have any adverse effect if and to the extent such actions, suits, claims, hearings, investigations or proceedings are based on this Agreement or the transactions contemplated hereby.

(h) Employee Benefits.

(i) A copy of each bonus, deferred compensation, pension, retirement, profit-sharing, thrift, savings, employee stock ownership, stock bonus, stock purchase, restricted stock, stock option, employment, termination, severance, compensation, medical, health or other plan, agreement, policy or arrangement that covers employees, directors, former employees or former directors of the Company and its Subsidiaries (the "Company Compensation and Benefit Plans") and any trust agreements or insurance contracts forming a part of such Company Compensation and Benefit Plans has been made available by the Company to SBC prior to the date hereof and each such Company Compensation and Benefit Plan is listed in Section 5.1(h) of the Company Disclosure Letter.

(ii) In the case of the Company, each of the Company Compensation and Benefit Plans or, in the case of SBC, each bonus, deferred compensation, pension, retirement, profit-sharing, thrift, savings, employee stock ownership, stock bonus, stock purchase, restricted stock, stock option, employment, termination, severance, compensation, medical, health or other plan, agreement, policy or arrangement that covers employees, directors, former employees or former directors of SBC and SBC's Subsidiaries (together with the Company Compensation and Benefit Plans, its "Compensation and Benefit Plans") is in substantial compliance with all applicable law, including the Code and the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). Each of its Compensation and Benefit Plans that is an "employee pension benefit plan" within the meaning of Section 3(2) of ERISA (a "Pension Plan") and that is intended to be qualified under Section 401(a) of the Code has received a favorable determination letter from the Internal Revenue Service (the "IRS") with respect to "TRA" (as such term is defined in Section 1 of Rev. Proc 93-39), and it is not aware of any circumstances likely to result in revocation of any such favorable

determination letter. There is no pending or, to the actual knowledge of its executive officers, threatened in writing material litigation relating to its Compensation and Benefit Plans. Neither it nor any Subsidiary has engaged in a transaction with respect to any of its Compensation and Benefit Plans that, assuming the taxable period of such transaction expired as of the date hereof, would subject it or any of its Subsidiaries to a material tax or penalty imposed by either Section 4975 of the Code or Section 502 of ERISA.

(iii) As of the date hereof, no liability under Subtitle C or D of Title IV of ERISA (other than the payment of prospective premium amounts to the Pension Benefit Guaranty Corporation in the normal course) has been or is expected to be incurred by it or any Subsidiary with respect to any ongoing, frozen or terminated "single-employer plan", within the meaning of Section 4001(a)(15) of ERISA, currently or formerly maintained by any of them, or the single-employer plan of any entity which is considered one employer with it under Section 4001 of ERISA or Section 414 of the Code (its "ERISA Affiliate") (each such single-employer plan, its "ERISA Affiliate Plan"). It and its Subsidiaries and ERISA Affiliates have not contributed, or been obligated to contribute, to a multiemployer plan under Subtitle E of Title IV of ERISA at any time since September 26, 1980. No notice of a "reportable event", within the meaning of Section 4043 of ERISA for which the 30-day reporting requirement has not been waived, has been required to be filed for any of its Pension Plans or any of its ERISA Affiliate Plans within the 12-month period ending on the date hereof or will be required to be filed in connection with the transactions contemplated by this Agreement.

(iv) All contributions required to be made under the terms of any of its Compensation and Benefit Plans as of the date hereof have been timely made or have been reflected on the most recent consolidated balance sheet filed or incorporated by reference in its Reports prior to the date hereof. Neither any of its Pension Plans nor any of any of its ERISA Affiliate Plans has an "accumulated funding deficiency" (whether or not waived) within the meaning of Section 412 of the Code or Section 302 of ERISA. Neither it nor its Subsidiaries has provided, or is required to provide, security to any of its Pension Plans or to any of its ERISA Affiliate Plans pursuant to Section 401(a)(29) of the Code.

(v) Under each of its Pension Plans which is a single-employer plan and each of its ERISA

Affiliate Plans, as of the last day of the most recent plan year ended prior to the date hereof, the actuarially determined present value of all "benefit liabilities", within the meaning of Section 4001(a)(16) of ERISA (as determined on the basis of the actuarial assumptions contained in such Pension Plan's or ERISA Affiliate Plan's most recent actuarial valuation), did not exceed the then current value of the assets of such Pension Plan or ERISA Affiliate Plan, and there has been no material change in the financial condition of such Pension Plan or ERISA Affiliate Plan since the last day of the most recent plan year.

(vi) Neither it nor its Subsidiaries have any obligations for retiree health and life benefits under any of its Compensation and Benefit Plans, except as set forth in its Reports filed prior to the date hereof or as required by applicable law.

(vii) None of the consummation of the Merger and the other transactions contemplated by this Agreement, in the case of SBC and the Company, the adoption of this Agreement by the stockholders of the Company, in the case of the Company, the approval by the stockholders of SBC of the issuance of the shares of SBC Common Stock required to be issued pursuant to Article IV, in the case of SBC, shall (x) entitle any of their respective employees or directors or any employees of their respective Subsidiaries to severance pay, directly or indirectly, upon termination of employment, (y) accelerate the time of funding (whether through a grantor trust or otherwise), payment or vesting or trigger any payment of compensation or benefits under, increase the amount payable or trigger any other material obligation pursuant to, any of their respective Compensation and Benefit Plans or (z) result in any breach or violation of, or a default under, any of their respective Compensation and Benefit Plans.

(i) Compliance with Laws. Except as set forth in its Reports filed prior to the date hereof, the businesses of each of it and its Subsidiaries have not been, and are not being, conducted in violation of any law, statute, ordinance, regulation, judgment, order, decree, injunction, arbitration award, license, authorization, opinion, agency requirement or permit of any Governmental Entity or common law (collectively, "Laws"), except for violations or possible violations that are not, individually or in the aggregate, reasonably likely to have a Material Adverse Effect on it or prevent, materially delay or materially impair its ability to consummate the transactions contemplated by this Agreement. Except as set forth in its Reports filed prior to the date hereof, no investigation or

review by any Governmental Entity with respect to it or any of its Subsidiaries is pending or, to the actual knowledge of its executive officers, threatened, nor has any Governmental Entity indicated an intention to conduct the same, except for those the outcome of which are not, individually or in the aggregate, reasonably likely to have a Material Adverse Effect on it or prevent, materially delay or materially impair its ability to consummate the transactions contemplated by this Agreement. To the actual knowledge of its executive officers, no material change is required in its or any of its Subsidiaries' processes, properties or procedures in connection with any such Laws, and it has not received any notice or communication of any material noncompliance with any such Laws that has not been cured as of the date hereof, except for such changes and noncompliance that are not, individually or in the aggregate, reasonably likely to have a Material Adverse Effect on it or prevent, materially delay or materially impair its ability to consummate the transactions contemplated by this Agreement. Each of it and its Subsidiaries has all permits, licenses, franchises, variances, exemptions, orders and other governmental authorizations, consents and approvals (collectively, "Permits"), necessary to conduct their business as presently conducted, except for those the absence of which are not, individually or in the aggregate, reasonably likely to have a Material Adverse Effect on it or prevent, materially delay or materially impair its ability to consummate the transactions contemplated by this Agreement.

(j) Takeover Statutes. The Board of Directors of the Company has taken all appropriate and necessary actions such that SBC will not be prohibited from entering into a "business combination" with the Company as an "interested stockholder" (in each case as such term is used in Section 203 of the DGCL) as a result of the execution and delivery of this Agreement or the consummation of the transactions contemplated hereby. To the best knowledge of the Company, no other "fair price," "moratorium," "control share acquisition" or other similar anti-takeover statute or regulation (each a "Takeover Statute") as in effect on the date hereof is applicable to the Company, the Company Shares, the Merger or the other transactions contemplated by this Agreement. No anti-takeover provision contained in the Company's certificate of incorporation, including Article Ninth thereof, or its by-laws is, or at the Effective Time will be, applicable to the Company, the Company Shares, the Merger or the other transactions contemplated by this Agreement.

(k) Environmental Matters. Except as disclosed in its Reports filed prior to the date hereof and except for such matters that, alone or in the aggregate, are not reasonably likely to have a Material Adverse Effect on it: (i) each of it and its Subsidiaries has complied with all applicable Environmental Laws (as defined below); (ii) the properties currently owned or operated by it or any of its Subsidiaries (including soils, groundwater, surface water, buildings or other structures) are not contaminated with any Hazardous Substances (as defined below); (iii) the properties formerly owned or operated by it or any of its Subsidiaries were not contaminated with Hazardous Substances during the period of ownership or operation by it or any of its Subsidiaries; (iv) neither it nor any of its Subsidiaries is subject to liability for any Hazardous Substance disposal or contamination on any third party property; (v) neither it nor any Subsidiary has been associated with any release or threat of release of any Hazardous Substance; (vi) neither it nor any Subsidiary has received any notice, demand, letter, claim or request for information alleging that it or any of its Subsidiaries may be in violation of or liable under any Environmental Law (including any claims relating to electromagnetic fields or microwave transmissions); (vii) neither it nor any of its Subsidiaries is subject to any orders, decrees, injunctions or other arrangements with any Governmental Entity or is subject to any indemnity or other agreement with any third party relating to liability under any Environmental Law or relating to Hazardous Substances; and (viii) there are no circumstances or conditions involving it or any of its Subsidiaries that could reasonably be expected to result in any claims, liability, investigations, costs or restrictions on the ownership, use, or transfer of any of its properties pursuant to any Environmental Law.

As used herein, the term "Environmental Law" means any Law relating to: (A) the protection, investigation or restoration of the environment, health, safety, or natural resources, (B) the handling, use, presence, disposal, release or threatened release of any Hazardous Substance or (C) noise, odor, wetlands, pollution, contamination or any injury or threat of injury to persons or property in connection with any Hazardous Substance.

As used herein, the term "Hazardous Substance" means any substance that is: listed, classified or regulated pursuant to any Environmental Law, including any petroleum product or by-product, asbestos-containing material, lead-containing paint or plumbing, polychlorinated biphenyls, radioactive materials or radon.

(l) Accounting and Tax Matters. As of the date hereof, neither it nor any of its affiliates (as determined in accordance with Section 6.7) has taken or agreed to take any action, nor do its executive officers have any actual knowledge of any fact or circumstance, that, to their actual knowledge, would prevent SBC from accounting for the business combination to be effected by the Merger as a "pooling-of-interests" or prevent the Merger and the other transactions contemplated by this Agreement from qualifying as a "reorganization" within the meaning of Section 368(a) of the Code.

(m) Taxes. It and each of its Subsidiaries have prepared in good faith and duly and timely filed (taking into account any extension of time within which to file) all material Tax Returns (as defined below) required to be filed by any of them and all such filed tax returns are complete and accurate in all material respects and: (i) it and each of its Subsidiaries have paid all Taxes (as defined below) that are shown as due on such filed Tax Returns or that it or any of its Subsidiaries is obligated to withhold from amounts owing to any employee, creditor or third party, except with respect to matters contested in good faith or for such amounts that, alone or in the aggregate, are not reasonably likely to have a Material Adverse Effect on it; (ii) as of the date hereof, there are not pending or, to the actual knowledge of its executive officers threatened in writing, any audits, examinations, investigations or other proceedings in respect of Taxes or Tax matters; and (iii) there are not, to the actual knowledge of its executive officers, any unresolved questions or claims concerning its or any of its Subsidiaries' Tax liability that are reasonably likely to have a Material Adverse Effect on it. Neither it nor any of its Subsidiaries has any liability with respect to income, franchise or similar Taxes in excess of the amounts accrued in respect thereof that are reflected in the financial statements included in its Reports, except such excess liabilities as are not, individually or in the aggregate, reasonably likely to have a Material Adverse Effect on it. No payments to be made to any of the officers and employees of it or its Subsidiaries will as a result of consummation of the Merger be subject to the deduction limitations under Section 280G of the Code.

As used in this Agreement, (i) the term "Tax" (including, with correlative meaning, the terms "Taxes", and "Taxable") includes all federal, state, local and foreign income, profits, franchise, gross receipts, environmental, customs duty, capital stock, severance, stamp, payroll, sales, employment, unemployment, disability, use, property,

withholding, excise, production, value added, occupancy and other taxes, duties or assessments of any nature whatsoever, together with all interest, penalties and additions imposed with respect to such amounts and any interest in respect of such penalties and additions, and (ii) the term "Tax Return" includes all returns and reports (including elections, declarations, disclosures, schedules, estimates and information returns) required to be supplied to a Tax authority relating to Taxes.

(n) Labor Matters. Neither it nor any of its Subsidiaries is the subject of any material proceeding asserting that it or any of its Subsidiaries has committed an unfair labor practice or is seeking to compel it to bargain with any labor union or labor organization nor is there pending or, to the actual knowledge of its executive officers, threatened in writing, nor has there been for the past five years, any labor strike, dispute, walkout, work stoppage, slow-down or lockout involving it or any of its Subsidiaries, except in each case as is not, individually or in the aggregate, reasonably likely to have a Material Adverse Effect on it.

(o) Rights Agreement. (i) The Company has adopted an amendment to the Rights Agreement (the "Rights Amendment") with the effect that neither SBC nor Merger Sub shall be deemed to be an Acquiring Person (as such term is defined in the Rights Agreement) and the Distribution Date (as defined in the Rights Agreement) shall not be deemed to occur and that the Rights will not separate from the Company Shares, as a result of entering into this Agreement or consummating the Merger and/or the other transactions contemplated hereby.

(ii) The Company has taken all necessary action with respect to all of the outstanding Rights (as defined in the Rights Agreement) so that, as of immediately prior to the Effective Time, as a result of entering into this Agreement or consummating the Merger and/or the other transactions contemplated by this Agreement, (A) neither the Company nor SBC will have any obligations under the Rights or the Rights Agreement and (B) the holders of the Rights will have no rights under the Rights or the Rights Agreement.

(p) Brokers and Finders. Neither it nor any of its officers, directors or employees has employed any broker or finder or incurred any liability for any brokerage fees, commissions or finders, fees in connection with the Merger or the other transactions contemplated in this Agreement except that (i) the Company has employed

Goldman, Sachs & Co. as its financial advisor, the arrangements with which have been disclosed to SBC prior to the date hereof, and (ii) SBC and Merger Sub have employed Salomon Brothers Inc and Smith Barney Inc. as their financial advisor, the arrangements with which have been disclosed to the Company prior to the date hereof.

## ARTICLE VI

### Covenants

6.1. Interim Operations. (a) The Company covenants and agrees as to itself and its Subsidiaries that, after the date hereof and prior to the Effective Time (unless SBC shall otherwise approve in writing, which approval shall not be unreasonably withheld or delayed, and except as otherwise expressly contemplated by this Agreement, disclosed in the Company Disclosure Letter or required by applicable Law):

(i) the business of it and its Subsidiaries shall be conducted in the ordinary and usual course and, to the extent consistent therewith, it and its Subsidiaries shall use all reasonable best efforts to preserve its business organization intact and maintain its existing relations and goodwill with customers, suppliers, regulators, distributors, creditors, lessors, employees and business associates;

(ii) it shall not (A) amend its certificate of incorporation or by-laws or amend, modify or terminate the Rights Agreement; provided, however, that nothing in this Agreement shall prevent the Company from reducing below 20% the beneficial ownership threshold in the definition of an Acquiring Person (as defined in the Rights Agreement) or extending the Final Expiration Date of the Rights Agreement (as defined therein) or adopting a new rights agreement having substantially similar terms as the Rights Agreement and not inconsistent with (x) this proviso, (y) Section 5.1(o) (assuming references therein are to such a new rights agreement) or (z) the transactions contemplated by this Agreement; (B) split, combine, subdivide or reclassify its outstanding shares of capital stock; (C) declare, set aside or pay any dividend or distribution payable in cash, stock or property in respect of any capital stock, other than regular quarterly cash dividends in amounts consistent with its past practice or rights to purchase Company Shares or Company Preference Shares pursuant to any successor agreement to the Rights Agreement, adopted in accordance with the terms of this Agreement; or

(D) repurchase, redeem or otherwise acquire or permit any of its Subsidiaries to purchase or otherwise acquire, except in open market transactions in connection with the Company Stock Plans, any shares of its capital stock or any securities convertible into or exchangeable or exercisable for any shares of its capital stock, but subject to the Company's obligations under subparagraph (iii) below.

(iii) neither it nor any of its Subsidiaries shall knowingly take any action that would prevent the Merger from qualifying for "pooling of interests" accounting treatment or as a "reorganization" within the meaning of Section 368(a) of the Code or that would cause any of its representations and warranties herein to become untrue in any material respect;

(iv) neither it nor any of its Subsidiaries shall terminate, establish, adopt, enter into, make any new grants or awards of stock-based compensation or other benefits under, amend or otherwise modify, any Company Compensation and Benefit Plans or increase the salary, wage, bonus or other compensation of any directors, officers or key employees except (A) for grants or awards to directors, officers and employees of it or its Subsidiaries under existing Company Compensation and Benefit Plans in such amounts and on such terms as are consistent with past practice, (B) in the normal and usual course of business (which shall include normal periodic performance reviews and related Company Compensation and Benefit Plan increases and the provision of individual Company Compensation and Benefit Plans consistent with past practice for promoted or newly hired officers and employees and the adoption of Company Compensation and Benefit Plans for employees of new Subsidiaries in amounts and on terms consistent with past practice); provided, that in no event shall it institute a broad based change in compensation, unless it shall have used its reasonable best efforts to provide SBC with prior notice of any such change or, if the Company was unable to provide such prior notice, the Company shall provide SBC with notice as soon as practicable following any such change, or (C) for actions necessary to satisfy existing contractual obligations under Company Compensation and Benefit Plans existing as of the date hereof;

(v) neither it nor any of its Subsidiaries shall issue any Company Preferred Shares or Company Preference Shares or incur any indebtedness for borrowed money or guarantee any such indebtedness if it should reasonably anticipate that after such incurrence any of its or any of its Subsidiaries' outstanding senior indebtedness would be rated A or lower by Standard & Poor's;

(vi) neither it nor any of its Subsidiaries shall make any capital expenditures in any period of twelve consecutive months following the date hereof in an aggregate amount in excess of 150% of the aggregate amount reflected in the Company's capital expenditure budget for such year, a copy of which has been provided to SBC;

(vii) neither it nor any of its Subsidiaries shall transfer, lease, license, sell, mortgage, pledge, encumber or otherwise dispose of any of its or its Subsidiaries property or assets (including capital stock of any of its Subsidiaries) with a fair market value in excess of \$1 billion in the aggregate in any period of twelve consecutive months following the date hereof except for transfers, leases, licenses, sales, mortgages, pledges, encumbrances, or other dispositions in the ordinary course of business consistent with past practice;

(viii) neither it nor any of its Subsidiaries shall issue, deliver, sell, or encumber shares of any class of its common stock or any securities convertible into, or any rights, warrants or options to acquire, any such shares except, (A) any such shares issued pursuant to options and other awards outstanding on the date hereof under the Company Stock Plans, awards of options and other awards granted hereafter under the Company Stock Plans in accordance with this Agreement and shares issuable pursuant to such awards, and (B) up to an aggregate amount of \$3.6 billion of such shares, securities, rights, warrants or options (valued at their fair market value as of the date of the agreement to make such acquisition) in any period of twelve consecutive months following the date hereof to fund, in whole or in part, the cost of any acquisition or acquisitions permitted under clause (ix) below following reasonable notice to SBC of its intention to take such action;

(ix) neither it nor any of its Subsidiaries shall spend in excess of \$3.6 billion in the aggregate in any period of twelve consecutive months following the date hereof to acquire any business, whether by merger, consolidation, purchase of property or assets or otherwise (valuing any non-cash consideration at its fair market value as of the date of the agreement for such acquisition); provided, that no such acquisition would prevent, materially delay or materially impair its ability to consummate the transactions contemplated by this Agreement. Notwithstanding the foregoing, neither it nor any of its Subsidiaries shall acquire any business the acquisition of which would subject SBC and its Subsidiaries

following the consummation of the Merger to any Commercial Mobile Radio Service spectrum aggregation limit restriction pursuant to the provisions of 47 C.F.R. Section 20.6 or place SBC and its Subsidiaries following the consummation of the Merger in violation of the Cellular Cross Ownership limits contained in 47 C.F.R. Section 22.942. For purposes of this clause (ix), the amount spent with respect to any acquisition shall be deemed to include the aggregate amount of capital expenditures that the Company is obligated to make at any time or plans to make as a result of such acquisition within two years after the date of acquisition;

(x) neither it nor its Subsidiaries shall enter into any business other than the telecommunications business and those businesses traditionally associated with the telecommunications business; and

(xi) neither it nor any of its Subsidiaries shall authorize or enter into any agreement to do any of the foregoing.

(b) SBC covenants and agrees as to itself and its Subsidiaries that after the date hereof and prior to the Effective Time (unless the Company shall otherwise approve in writing, which approval shall not be unreasonably withheld or delayed, and except as otherwise expressly contemplated by this Agreement, disclosed in the SBC Disclosure Letter or required by applicable Law):

(i) the business of it and its Subsidiaries shall be conducted in the ordinary and usual course and, to the extent consistent therewith, it and its Subsidiaries shall use all reasonable best efforts to preserve its business organization intact and maintain its existing relations and goodwill with customers, suppliers, regulators, distributors, creditors, lessors, employees and business associates;

(ii) it shall not (A) amend its certificate of incorporation or by-laws in any manner that would prohibit or hinder, impede or delay in any material respect the Merger or the consummation of the transactions contemplated hereby, provided that any amendment to its certificate of incorporation to increase the authorized number of shares of any class or series of the capital stock of SBC shall in no way be restricted by the foregoing; (B) declare, set aside or pay any dividend or other distribution payable in cash or property (other than SBC Common Stock or rights to purchase SBC Common Stock or SBC Preferred Stock pursuant to any successor agreement to the SBC Rights

Agreement) in respect of any capital stock, other than per share regular quarterly cash dividends in amounts consistent with its past practice; or (C) repurchase, redeem or otherwise acquire, or permit any of its Subsidiaries to purchase or otherwise acquire, except in open market transactions in connection with the SBC Stock Plans, any shares of its capital stock or any securities convertible into or exchangeable for any shares of its capital stock, but subject to SBC's obligations under subparagraph (iii) below;

(iii) neither it nor any of its Subsidiaries shall knowingly take any action that would prevent the Merger from qualifying for "pooling-of-interests" accounting treatment or as a tax-free "reorganization" within the meaning of Section 368(a) of the Code or that would cause any of its representations and warranties herein to become untrue in any material respect;

(iv) neither it nor any of its Subsidiaries shall issue any SBC Preferred Shares or incur any indebtedness for borrowed money or guarantee any such indebtedness if it should reasonably anticipate that after such incurrence any of its or any of its Subsidiaries' outstanding senior indebtedness would be rated A or lower by Standard & Poor's;

(v) neither it nor any of its Subsidiaries shall make any capital expenditures in any period of twelve consecutive months following the date hereof in an aggregate amount in excess of 150% of the aggregate amount of capital expenditures reflected in its capital expenditure budget for such year, a copy of which has been provided to the Company;

(vi) neither it nor any of its Subsidiaries shall transfer, lease, license, sell, mortgage, pledge, encumber or otherwise dispose of any of its or its Subsidiaries property or assets (including capital stock of any of its Subsidiaries) with a fair market value in excess of \$1.5 billion in the aggregate in any period of twelve consecutive months following the date hereof except for transfers, leases, licenses, sales, mortgages, pledges, encumbrances, or other dispositions in the ordinary course of business consistent with past practice;

(vii) neither it nor any of its Subsidiaries shall issue, deliver, sell or encumber shares of any class of its common stock or any securities convertible into, or any rights, warrants or options to acquire, any such shares, except (A) any such shares issued

pursuant to options and other awards outstanding on the date hereof under the SBC Stock Plans, awards of options and other awards granted hereafter under the SBC Stock Plans and shares issuable pursuant to such awards, (B) up to an aggregate amount of \$4.8 billion of such shares, securities, rights, warrants or options (valued at their fair market value as of the date of the agreement to make such acquisition) in any period of twelve consecutive months following the date hereof to fund, in whole or in part, the cost of any acquisition or acquisitions permitted under clause (viii) below, following reasonable notice to the Company of its intention to take such action, and (C) pursuant to the terms of the Agreement and Plan of Merger dated as of January 4, 1998, by and among Southern New England Telecommunications Corporation ("SNET"), SBC and SBC(CT) Sub, Inc. a Connecticut corporation and a wholly-owned subsidiary of SBC (the "SNET Agreement"), which issuances of SBC capital stock shall not be included in calculating the \$4.8 billion of permissible issuances, deliveries, sales or encumbrances, or require notice to the Company, pursuant to clause (B) above;

(viii) neither it nor any of its Subsidiaries shall spend in excess of \$4.8 billion in the aggregate in any period of twelve consecutive months following the date hereof to acquire any business, whether by merger, consolidation, purchase of property or assets or otherwise (valuing any non-cash consideration at its fair market value as of the date of the agreement for such acquisition); provided, however, that no such acquisition would prevent, materially delay or materially impair its ability to consummate the transactions contemplated by this Agreement; provided, further, that the SNET Agreement and the transactions contemplated thereby shall not be subject to the terms of the foregoing restriction. Notwithstanding the foregoing, neither it nor any of its Subsidiaries shall acquire any business the acquisition of which would subject SBC and its Subsidiaries following the consummation of the Merger to any Commercial Mobile Radio Service spectrum aggregation limit restriction pursuant to the provisions of 47 C.F.R. Section 20.6 or place SBC and its Subsidiaries following the consummation of the Merger in violation of the Cellular Cross Ownership limits contained in 47 C.F.R. Section 22.942; provided, that, the SNET Agreement and the transactions contemplated thereby shall not be subject to the terms of the foregoing restriction. For purposes of this clause (viii), the amount spent with respect to any acquisition shall be deemed to include the aggregate amount of capital expenditures that the Company is obligated to make at any time or plans to make as a result of such acquisition within two years after the date of acquisition;

(ix) neither it nor any of its Subsidiaries shall enter any business other than the telecommunications business and those businesses traditionally associated with the telecommunications business; and

(x) neither it nor any of its Subsidiaries shall authorize or enter into an agreement to do any of the foregoing.

(c) SBC and the Company agree that any written approval obtained under this Section 6.1 may be relied upon by the other party if signed by the Chief Executive Officer or another executive officer of the other party.

6.2. Acquisition Proposals. (a) The Company agrees that neither it nor any of its Subsidiaries shall, and that it shall direct and use its best efforts to cause its and its Subsidiaries' employees, agents and representatives (including any investment banker, attorney or accountant retained by it or any of its Subsidiaries) (the Company, its Subsidiaries and their officers, directors, employees, agents and representatives being the "Company Representatives") not to, directly or indirectly, initiate, solicit, encourage or otherwise facilitate any inquiries or the making of any proposal or offer with respect to a merger, reorganization, share exchange, consolidation or similar transaction involving, or any purchase of, or tender offer for, any of the assets of it or any of its Subsidiaries or its voting securities if, as a result of such transaction, (i) the stockholders of the Company would not hold more than 50% of the voting securities of the surviving corporation or its ultimate parent, (ii) the directors of the Company would not constitute a majority of the board of directors of the surviving corporation or its ultimate parent, or (iii) another Person would acquire more than 50% of the assets of the Company and its Subsidiaries (any such proposal or offer being hereinafter referred to as a "Company Acquisition Proposal"). The Company further agrees that neither it nor any of its Subsidiaries shall, and that it shall direct and use its best efforts to cause the Company Representatives not to, directly or indirectly, have any discussion with or provide any confidential information or data to any Person relating to a Company Acquisition Proposal or engage in any negotiations concerning a Company Acquisition Proposal, or otherwise facilitate any effort or attempt to make or implement a Company Acquisition Proposal; provided, however, that nothing contained in this Agreement shall prevent either the Company or the Company Representatives from (A)

complying with Rule 14e-2 promulgated under the Exchange Act with regard to a Company Acquisition Proposal; (B) engaging in any discussions or negotiations with or providing any information to, any Person in response to an unsolicited bona fide written Company Acquisition Proposal by any such Person; or (C) recommending such an unsolicited bona fide written Company Acquisition Proposal to the stockholders of the Company if and only to the extent that, in such case referred to in clause (B) or (C), (i) the Board of Directors of the Company concludes in good faith (after consultation with its financial advisor) that such Company Acquisition Proposal is reasonably capable of being completed, taking into account all legal, financial, regulatory and other aspects of the proposal and the Person making the proposal, and would, if consummated, result in a transaction more favorable to the Company's stockholders from a financial point of view than the transaction contemplated by this Agreement (any such more favorable Company Acquisition Proposal being referred to in this Agreement as a "Superior Company Proposal"), (ii) the Board of Directors of the Company determines in good faith after consultation with outside legal counsel that such action is necessary for the Board of Directors to comply with its fiduciary duty under applicable law and (iii) prior to providing any information or data to any Person in connection with a Company Acquisition Proposal by any such Person, the Board of Directors of the Company shall receive from such Person a confidentiality agreement in customary form; provided, that such confidentiality agreement shall not contain terms that prevent the Company from complying with its obligations under this Section 6.2.

(b) SBC agrees that neither it nor any of its Subsidiaries shall, and that it shall direct and use its best efforts to cause its and its Subsidiaries' employees, agents and representatives (including any investment banker, attorney or accountant retained by it or any of its Subsidiaries) (SBC, its Subsidiaries and their officers, directors, employees, agents and representatives being the "SBC Representatives") not to, directly or indirectly, initiate, solicit, encourage or otherwise facilitate any inquiries or the making of any proposal or offer with respect to a merger, reorganization, share exchange, consolidation or similar transaction involving, or any purchase of, or tender offer for, all or any assets of it or any of its Subsidiaries or its voting securities if, as a result of such transaction, (i) the stockholders of SBC would not hold more than 50% of the voting securities of the surviving corporation or its ultimate parent, (ii) the directors of SBC would not constitute a majority of the board of directors of the surviving corporation or its

ultimate parent, or (iii) another Person would acquire more than 50% of the assets of SBC and its Subsidiaries (any such proposal or offer being hereinafter referred to as a "SBC Acquisition Proposal"). SBC further agrees that neither it nor any of its Subsidiaries nor any of the officers and directors of it or its Subsidiaries shall, and that it shall direct and use its best efforts to cause the SBC Representatives not to, directly or indirectly, have any discussion with or provide any confidential information or data to any Person relating to a SBC Acquisition Proposal or engage in any negotiations concerning a SBC Acquisition Proposal, or otherwise facilitate any effort or attempt to make or implement a SBC Acquisition Proposal; provided, however, that nothing contained in this Agreement shall prevent either SBC or the SBC Representatives from (A) complying with Rule 14e-2 promulgated under the Exchange Act with regard to a SBC Acquisition Proposal; (B) engaging in any discussions or negotiations with or providing any information to, any Person in response to an unsolicited bona fide written SBC Acquisition Proposal by any such Person; or (C) recommending such an unsolicited bona fide written SBC Acquisition Proposal to the stockholders of SBC if and only to the extent that, in such cases referred to in clause (B) or (C), (i) the Board of Directors of SBC concludes in good faith (after consultation with its financial advisor) that such SBC Acquisition Proposal is reasonably capable of being completed, taking into account all legal, financial, regulatory and other aspects of the proposal and the Person making the proposal, and would, if consummated, result in a transaction more favorable to SBC or SBC's stockholders from a financial point of view than the transaction contemplated by this Agreement (any such more favorable SBC Acquisition Proposal being referred to herein as a "Superior SBC Proposal"), (ii) the Board of Directors of SBC determines in good faith after consultation with outside legal counsel that such action is necessary for the Board of Directors to comply with its fiduciary duty under applicable law and (iii) prior to providing any information or data to any Person in connection with a SBC Acquisition Proposal by any such Person, the Board of Directors of SBC shall receive from such Person a confidentiality agreement in customary form; provided, that, such confidentiality agreement shall not contain terms that prevent SBC from complying with its obligations under this Section 6.2.

(c) The Company and SBC each agrees that it will immediately cease and cause to be terminated any existing activities, discussions or negotiations with any parties conducted heretofore with respect to any Company Acquisition Proposal or SBC Acquisition Proposal, as the

case may be. The Company and SBC each agrees that it will take the necessary steps to promptly inform the individuals or entities referred to in the first sentence of paragraphs (a) and (b), respectively, of the obligations undertaken in Section 6.2(a) or (b), as the case may be. The Company and SBC each agrees that it will notify the other immediately if any such inquiries, proposals or offers are received by, any such information is requested from, or any such discussions or negotiations are sought to be initiated or continued with, any of its representatives indicating, in connection with such notice, the name of such Person and the terms and conditions of any proposals or offers, and thereafter shall inform the other of any material modification of the terms of any such proposal or offer or the withdrawal thereof. The Company and SBC each also agrees that it will promptly request each Person that has heretofore executed a confidentiality agreement in connection with its consideration of any Company Acquisition Proposal or any SBC Acquisition Proposal, as the case may be, to return all confidential information heretofore furnished to such Person by or on behalf of it or any of its Subsidiaries.

6.3. Information Supplied. The Company and SBC each agrees, as to itself and its Subsidiaries, that none of the information supplied or to be supplied by it or its Subsidiaries for inclusion or incorporation by reference in (i) the Registration Statement on Form S-4 to be filed with the SEC by SBC in connection with the issuance of shares of SBC Common Stock in the Merger (including the joint proxy statement and prospectus (the "Prospectus/Proxy Statement") constituting a part thereof) (the "S-4 Registration Statement") will, at the time the S-4 Registration Statement becomes effective under the Securities Act, and (ii) the Prospectus/Proxy Statement and any amendment or supplement thereto will, at the date of mailing to stockholders and at the times of the meetings of stockholders of the Company and SBC to be held in connection with the Merger, in any such case, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. If at any time prior to the Effective Time any information relating to SBC or the Company, or any of their respective affiliates, officers or directors, should be discovered by SBC or the Company which should be set forth in an amendment or supplement to either the S-4 Registration Statement or the Prospectus/Proxy Statement, so that any of such documents would not include any misstatement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the

circumstances under which they were made, not misleading, the party which discovers such information shall promptly notify the other parties hereto and an appropriate amendment or supplement describing such information shall be promptly filed with the SEC and, to the extent required by law, disseminated to the stockholders of the Company and SBC.

6.4. Stockholders Meetings. The Company will take, in accordance with applicable law and its certificate of incorporation and by-laws, all action necessary to convene a meeting of holders of Company Shares (the "Company Stockholders Meeting") as promptly as practicable after the S-4 Registration Statement is declared effective to consider and vote upon the adoption of this Agreement. SBC will take, in accordance with applicable law and its certificate of incorporation and by-laws, all action necessary to convene a meeting of holders of the SBC Common Stock (the "SBC Stockholders Meeting", and either the SBC Stockholders Meeting or the Company Stockholders Meeting, a "Stockholders Meeting") as promptly as practicable after the S-4 Registration Statement is declared effective to consider and vote upon the approval of the issuance of SBC Common Stock required to be issued pursuant to Article IV. Subject to fiduciary obligations under applicable law and the terms of this Agreement, the Company's Board of Directors shall recommend that the stockholders of the Company adopt this Agreement and thereby approve the transactions contemplated hereby and shall take all lawful action to solicit such adoption, and SBC's Board of Directors shall recommend that the stockholders of SBC approve the issuance of SBC Common Stock required to be issued pursuant to Article IV and shall take all lawful action to solicit such approval.

6.5. Filings; Other Actions; Notification.

(a) SBC and the Company shall promptly prepare and file with the SEC the Prospectus/Proxy Statement, and SBC shall prepare and file with the SEC the S-4 Registration Statement as promptly as practicable. SBC and the Company each shall use all reasonable best efforts to have the S-4 Registration Statement declared effective under the Securities Act as promptly as practicable after such filing, and promptly thereafter mail the Prospectus/Proxy Statement to the respective stockholders of each of the Company and SBC. SBC shall also use all reasonable best efforts to obtain prior to the effective date of the S-4 Registration Statement all necessary state securities law or "blue sky" permits and approvals required in connection with the Merger and to consummate the other transactions contemplated by this Agreement and will pay all expenses incident thereto.

(b) The Company and SBC each shall use all reasonable best efforts to cause (x) the Merger to qualify for "pooling of interests" accounting treatment and (y) to be delivered to the other party and its directors a letter of its independent auditors, dated (i) the date on which the S-4 Registration Statement shall become effective and (ii) the Closing Date, and addressed to the other party and its directors, in form and substance customary for "comfort" letters delivered by independent public accountants in connection with registration statements similar to the S-4 Registration Statement.

(c) The Company and SBC shall cooperate with each other and use (and shall cause their respective Subsidiaries to use) all their respective reasonable best efforts to take or cause to be taken all actions, and do or cause to be done all things, necessary, proper or advisable on its part under this Agreement and applicable Laws to consummate and make effective the Merger and the other transactions contemplated by this Agreement as soon as practicable, including preparing and filing as promptly as practicable all documentation to effect all necessary applications, notices, petitions, filings and other documents and to obtain as promptly as practicable all consents, registrations, approvals, permits and authorizations required to be obtained from any third party and/or any Governmental Entity in connection with the execution and delivery of this Agreement and the consummation of the Merger and the other transactions contemplated hereby; provided, however, that nothing in this Section 6.5 shall require, or be construed to require, SBC or the Company to agree to, or comply with, any conditions to the granting of any such consent, registration, approval, permit or authorization by any Governmental Entity if compliance with such conditions, individually or in the aggregate, would be reasonably likely to have a Material Adverse Effect on the Surviving Corporation or SBC following the Effective Time (it being understood that, for this purpose only, materiality shall be determined by reference to the trading market equity value of SBC prior to the consummation of the Merger and after taking into account (i) any adverse effects reasonably likely to arise from any restrictions on the ability of the Surviving Corporation or SBC or any of their respective Subsidiaries to conduct its operations as currently conducted or as proposed as of the date of this Agreement to be conducted resulting from complying with the conditions to or from the grant of any such consent, registration, approval, permit or authorization, (ii) any benefits reasonably likely to be realized by SBC on a consolidated basis (other than those operational benefits reasonably likely to be realized

directly from the consummation of the Merger) resulting from complying with the conditions to or from the grant of any such consent, registration, approval, permit or authorization, and (iii) any proceeds resulting from any divestiture required by a Governmental Entity as a condition to its granting any such consent, registration, approval, permit or authorization); provided, further, that any divestiture by either SBC or the Company or any of their respective Subsidiaries reasonably required to cause the Surviving Corporation to be in compliance with the Commercial Mobile Radio Service spectrum aggregation limits established by the FCC in 47 C.F.R. Section 20.6 and the Cellular Cross Ownership limits contained in 47 C.F.R. Section 22.942 shall be deemed not to have any adverse effect on either the Surviving Corporation or SBC following the Effective Time (a "Regulatory Material Adverse Effect"). Subject to applicable laws relating to the exchange of information, SBC and the Company shall have the right to review in advance, and to the extent practicable each will consult the other on, all the information relating to SBC or the Company, as the case may be, and any of their respective Subsidiaries, that appear in any filing made with, or written materials submitted to, any third party and/or any Governmental Entity in connection with the Merger and the other transactions contemplated by this Agreement. In exercising the foregoing right, each of the Company and SBC shall act reasonably and as promptly as practicable.

(d) The Company and SBC each shall, upon request by the other, furnish the other with all information concerning itself, its Subsidiaries, directors, officers and stockholders and such other matters as may be reasonably necessary or advisable in connection with the Prospectus/Proxy Statement, the S-4 Registration Statement or any other statement, filing, notice or application made by or on behalf of SBC, the Company or any of their respective Subsidiaries to any third party and/or any Governmental Entity in connection with the Merger and the transactions contemplated by this Agreement.

(e) The Company and SBC each shall keep the other apprised of the status of matters relating to completion of the transactions contemplated hereby, including promptly furnishing the other with copies of notice or other communications received by SBC or the Company, as the case may be, or any of its Subsidiaries, from any third party and/or any Governmental Entity with respect to the Merger and the other transactions contemplated by this Agreement. Each of the Company and SBC shall give prompt notice to the other of any change that is reasonably likely to result in a Material Adverse Effect on

it or of any failure of any condition to the other party's obligations to effect the Merger set forth in Article VII.

6.6. Access; Consultation. (a) Upon reasonable notice, and except as may otherwise be required by applicable law, the Company and SBC each shall (and shall cause its Subsidiaries to) afford the SBC Representatives or the Company Representatives, as the case may be, reasonable access, during normal business hours throughout the period prior to the Effective Time, to its properties, books, contracts and records and, during such period, each shall (and shall cause its Subsidiaries to) furnish promptly to the other all information concerning its business, properties and personnel as may reasonably be requested, provided that no investigation pursuant to this Section shall affect or be deemed to modify any representation or warranty made by the Company, SBC or Merger Sub hereunder, and provided, further, that the foregoing shall not require the Company or SBC to permit any inspection, or to disclose any information, that in the reasonable judgment of the Company or SBC, as the case may be, would result in the disclosure of any trade secrets of third parties or violate any of its obligations with respect to confidentiality if the Company or SBC, as the case may be, shall have used all reasonable best efforts to obtain the consent of such third party to such inspection or disclosure. All requests for information made pursuant to this Section shall be directed to an executive officer of the Company or SBC, as the case may be, or such Person as may be designated by any such executive officer, as the case may be.

(b) From the date hereof to the Effective Time, SBC and the Company agree to consult with each other on a regular basis on a schedule to be agreed with regard to their respective operations.

(c) From the date hereof to the Effective Time, the Company agrees to notify SBC in advance of any issuance by the Company or any of its Subsidiaries of any long-term debt in excess of \$50 million, Company Preferred Shares or Company Preference Shares.

6.7. Affiliates. (a) Each of the Company and SBC shall deliver to the other a letter identifying all Persons whom such party believes to be, at the date of the Stockholders Meeting of such party, "affiliates" of such party for purposes of applicable interpretations regarding use of the pooling-of-interests accounting method and, in the case of "affiliates" of the Company, for purposes of Rule 145 under the Securities Act. Each of the Company and SBC shall use all reasonable best efforts to cause each
